Team Kanada shows team solidarity and pride by wearing a team kit. The kit includes general items (t-shirt, coat, pants/shorts) and sport specific items (swim caps, basketball jerseys, etc.). These kits range from \$150 - \$200 per person and are produced in Poland.

You can sponsor any individual item(s) of our kit. In doing so, your name and logo will have prominent positioning on your sponsored item(s), as well as the above listed perks with the associated costs.
